2. It is clear that events are moving forward rapidly in Cambodia, and internal developments in Vietnam are a major factor in the improving prospects for a Cambodian settlement. Given the high policy interest in both Estimates, they will be moved forward together as fast track SNIEs. Community Representatives will meet on 21 and 22 July to coordinate both papers. Comments by the Senior Review Panel will be considered at the coordination.

3. We plan to complete the SNIEs in time for presentation to NFIB on 28 July 1988.
